First GIRL IN 140 YEARS.

One of the largest families in St. Louis is holding a joyous celebration over the birth of a girl baby. The happy people are the Beckers. This is the first time in the 140 years that a girl has been born in the family. For generations there has been no Becker heiress, and as a result the family is in a delirium of joy over the advent of little Miss Becker. The parents of the petted midget are Mr. and Mrs. Arthur W. Becker of 3002 Geyer Avenue. The grandfather is J. P. Becker of 1829 Hickory Street. He had five boys, and his father, Jacob Becker, had four male heirs. The father of Jacob Becker was Peter Becker, who was born in 1762. He had no sisters and no daughters.—Chicago inter Ocean.
